Dear Ms. Dantas:

From all of us at the Centre for Addiction and Mental Health (CAMH) Foundation, thank you and **Peaks for Change** for your generous support of CAMH and raising \$12,000 from your fundraising Gala on April 27, 2018. The proceeds from this fundraising initiative will help more people recover faster, inspire hope through discovery and stop mental illness and addictions from destroying lives.

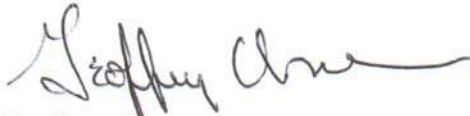

This is truly an exciting time for discovery and innovation in mental health, and CAMH is leading the field. We're passionate about the work we do because we know people are counting on us – people who deserve to recover from mental illness and reach their true potential.

That's why events like this one are so important—they create real hope for greater recovery for people with mental illness, including addiction. Thank you for believing in and supporting the work we do.

For recognition purposes, we have recorded your name as "Peaks for Change Foundation". Please call 415-535-8501 ext 36169 and ask for Lidia Franchitto, should you wish to change this or if you do not wish to publicly be acknowledged.

Thank you for helping us create a world in which everyone believes life is worth living.

Sincerely,

Geoffrey Chown
Director, Events
